

## Analytics

Know your **GRADE, WORTH**  
AND **VALUE** through our  
data and computational  
algorithms.

Our custom dashboards  
provide insights into your  
practice's performance and  
allow you to easily access  
and analyse your data

## Brokerage

Are you **SELLING? BUYING?**

Or looking to **APPRAISE** your  
practice?

With **DentaCLOUD**, you  
always know your worth and  
the value we create for you.

We don't sell one practice at  
a time, but bundle practices  
to maximize your EBITDA  
multiple return.

## Consulting

**Mission Statement:** Dentalytica uses its proprietary algorithms to identify dental practices and labs for consolidation and sale to DSOs and PEs. After the consolidation and sale, Dentalytica offers consulting services to transition and grow both top line and overall profitability of the consolidated entities.

**Vision Statement:** Dentalytica endeavors to become the leading data source in dental by continuing to develop its data dashboards, KPIs, and overall algorithms for optimal tracking and deployment of analytics to maximize the business intelligence and performance of dental practice & labs.

**We are a dental data company and dental healthcare think tank, specializing in dental practice consolidation and sale.**

**We speak dental through numbers. We believe in Dataism and its potential to improve access to and quality of care.**
